MEMBER RECEIVES AWARD

Breezy Point, MN – Major Carl Hallum received Minnesota Wing's Dorothy Sindlear Memorial Award during a ceremony on May 4th. Major Hallum is a member of the Worthington Squadron that meets Monday Nights at Worthington Airport.

The Sindlear Award commemorates Lt Col Dorothy Sindlears commitment as the Minnesota Wing Personnel Officer. She unfailingly made every meeting to insure that personnel actions received prompt attention. When her health prevented her from physically entering the Wing Headquarters, she insisted that her husband John carry her to her desk.

Major Hallum received his award at the 2002 Minnesota Wing Conference, held at Breezy Point Resort 3-5 May.

Civil Air Patrol, the official U. S. Air Force Auxiliary, is a civilian, volunteer, nonprofit, service organization. The unpaid members perform more than 85 percent of inland search and rescue missions as tasked by the Air Force Rescue and Coordination Center. Volunteers also take a leading role in aerospace education and conduct one of America's finest youth programs through CAP Cadet Programs.

There are more than 1300 Civil Air Patrol members in Minnesota.
